### Things You Need to Know

	<p><b>At Oska Bright 2011 we want to show films that you have made about the Olympics, and what the Olympics means to you</b></p> <p>We also want to show other films, too – please do send us your films, even if they are not about the Olympics</p>
---	--

	<p><b>Oska Bright</b> is for short films made by people with a learning disability</p>
	<p>All films that are sent to us must be under 10 minutes long. Under 5 minutes is best</p>
	<p>All films entered into Oska Bright must have people with learning disabilities in control of making them</p>
	<p>People with learning disabilities can be script writers, actors, camera people, sound people, directors and producers or other things</p>
	<p>People without learning disabilities can give support and help out</p>

	<p>People without learning disabilities who help out might be editors, directors, film makers, or people that can give their expert support</p>
	<p>The Oska Bright committee know that learning disabled film makers will often need support and advice from film makers without a learning disability – the point is that people without learning disabilities mustn't take over</p>
	<p><b>All films must be with us by 30<sup>th</sup> April 2011</b></p>
	<p><b>We can only return your tape or DVD if you send us an envelope stamped with the right postage cost</b></p>

**You must have permission from all people appearing in the film.** Ask us if you need a form to help you do this. You could use one of our Consent Forms if you want to. If you want to use an Oska Bright Consent Form please contact us – our contact details are on the next page.
